Seniors

"Hi ho, hi ho, it's out of school I go."

Six years ago our class entered high school. With us, also a new member of Belleville High, came math teacher Mr. Edward Steinman.

Mr. Steinman became our sponsor, and together we pulled through our first year with no major mishaps. He has been with us ever since; but he has been much more than just a sponsor.

Lending an ear to our trouble, pitching in on our projects, giving us help when we needed it, and sharing and contributing to our fun, he has successfully guided us through our high school days.

Mr. Steinman, we will always remember you.

In September coach Harry Hidenfelter well remembered for his athletic prowess and achievements of past years was appointed head football coach. Coach Hidenfelter's methods speak for themselves as he continued to build like Jack Weiss, his predecessor, a sound fundamental foundation and the surging desire to win the members of the squad. Lack of experience and weight in the line proved a handicap.

Despite the unpromising situation a well coached, but under rated Tiger grid iron finished their season by soundly defeating their biggest rival Romulus 18-13. This was the first time in eleven years Belleville defeated Romulus.

Graduation, the dreaded sports plague had little mercy on Belleville's basketball squad. The 1955-56 Tiger's were left without the services of the entire starting five and two capable substitutes who battled for the league diadem in the previous seasons championship contest

The Junior High claims the distinction of being the most constant winner on Belleville's campus. Their successful habits have enabled them to completely dominate the top rung of the championship ladder in many recent years, this year included. This team has provided the means for utilizing every bit of basketball ability among the youngest high school students.

Here they are the rah rah girls whom we see cheering so energetically at all of our athletic games. There is one cheerleader that you don't see down front at the games, but she is always on hand with her assistance and advice - it is Mrs. Margaret Ludlum, sponsor. Then there is Varsity captain Dorcas Lamb and co-captain Yvonne Zannis who deserve a lot of credit. To boost our "Belleville Tigers" the cheerleaders have been on hand at each out-of-town game as well as each home game.

it's "touch and go" these days

There's little lingering in the laundry anymore. The washing is disposed of the automatic electric way. Set washer or dryer dial and away you go . . . to other jobs . . . even out of the house.

And the interesting thing is, by the time you change from Miss to Mrs., automatic electric work savers will have made your life more than ever "touch-and-go."
